PROGRAMME BACKGROUND

The European Union's strong commitment to Mozambique's August 2019 Peace Agreement has motivated funding by the 11th European Development Fund for a comprehensive framework comprised by several interventions, including: (1) Disarmament, Demobilization and Reintegration (DDR), (2) National Reconciliation, (3) Decentralization, and (4) Socio-Economic Rehabilitation through support to livelihoods in conflict-affected areas (DELPAZ – Local Development for the Consolidation of Peace in Mozambique). The Sub – Programme for the Provinces of Manica and Tete of DELPAZ contributes to the implementation of the fourth pillar of the EU Programme.

The **overall objective** for this pillar is "**to contribute towards consolidation of peace at subnational levels in Mozambique**". The specific objectives reflect the two main components of the pillar: **local governance** (SO1, "to enhance inclusive local governance in selected provinces and conflict affected districts") and **economic recovery** (SO2, "to improve the livelihoods of rural communities in conflict affected districts, with a special focus upon women and disadvantaged groups"), focusing on Sofala, Manica and Tete Provinces. The implementation modalities established by the EU Delegation in Mozambique foresee Indirect Management with the United Nations Capital Development Fund (UNCDF) for SO1 and the Italian Agency for Development Cooperation (AICS) and the Austrian Development Agency (ADA) for SO2. These three Actions are funded under the same Description of EU Action Document (CRIS number: FED/MZ/2018/041-899) and will be implemented in close coordination under the same institutional umbrella.
